### What We DO

In general, the AHA Centre classifies its activities into Disaster Monitoring, Preparedness and Response, and Capacity Building. Specifically, the roles of the AHA Centre are further specified in the AADMER Work Programme 2016-2020 as well as the AHA Centre Work Plan 2020. The AHA Centre's office also houses the Emergency Operations Centre (EOC), which serves as the central location in monitoring disasters and coordinating ASEAN's collective response to disasters...
