BLACK HAT USA 2009 //WELCOME

CAESARS PALACE LAS VEGAS, NV • JULY 25-30

The Black Hat Briefings have become the biggest and the most important security conference series in the world by sticking to our core value: serving the information security community by delivering timely, actionable security information in a friendly, vendor-neutral environment.

This site is a portal intended to provide users with current, useful and relevant information resources regarding the upcoming Black Hat USA 2009 conference.
